///

Section 729.1. West Portal Avenue Neighborhood Commercial District. Located in the southwestern part of the city, the West Portal Avenue Neighborhood Commercial district stretches for three blocks along West Portal Avenue and extends one block east along Ulloa Street from the Twin Peaks Tunnel entrance to Claremont Boulevard. West Portal Avenue provides a good selection of goods and services for the surrounding single-family residential neighborhoods. The district attracts customers mainly from the surrounding West of Twin Peaks and Sunset neighborhoods, as well as those from the Sunset neighborhoods. The lively, small-scale retail frontage is interrupted at several locations by large-scale financial institutions which take up a high amount of commercial ground-story frontage. More than half of the number of medical, professional and business offices are located at the ground level. Except for one three-movie theater complex, West Portal offers no entertainment uses and its restaurants are mainly family-oriented.

The West Portal Avenue district controls are designed to preserve the existing family-oriented, village character of West Portal Avenue. The building standards limit building heights to 26 feet and two stories and maintain the existing pattern of rear yards at the ground level and above. The height, bulk and design of new development, especially on large lots, should respect the small-scale character of the district and its surrounding residential neighborhoods. Lot mergers creating large lots are discouraged. Individual non-residential use sizes require Conditional Use above 2500 square feet and are restricted to 4000 square feet as an absolute limit to conform with the existing small use sizes in the district.

Special controls on commercial uses are designed to protect

the existing mix of ground-story retail uses and prevent further intensification and congestion in the district. No new financial services are permitted. Because the district and surrounding neighborhoods are well served by the existing number of eating and drinking establishments, new bars, restaurants and take-out food generally are discouraged: any proposed new establishment should be carefully reviewed to ensure that it is family-oriented, and will not involve high-volume take-out food or generate traffic, parking, or litter problems. Fast-food restaurants are prohibited. Medical, business or professional services are permitted at the first two stories, but additional ground-story locations should be closely monitored to ensure that the current balance between retail and office uses is maintained. Existing service stations are encouraged to continue operating, but changes in their size, operation, or location are subject to review. Other automotive uses are prohibited. The neighborhood-oriented, retail character of the district is further protected by prohibiting hotels and non-retail uses. The daytime orientation of the district is maintained by prohibitions of entertainment uses and late-night commercial operating hours.

Housing development is limited. Existing residential units are protected by limitations on demolition and prohibition of upper-story conversions; new construction should be carefully reviewed to ensure appropriate scale, design and compatibility with adjacent development.

(Unlitigated Claim Settlement)

RESOLUTION AUTHORIZING SETTLEMENT OF UNLITIGATED CLAIM OF DIDI CHEN AGAINST THE CITY AND COUNTY OF SAN FRANCISCO FOR REFUND OF $7,500.00 DEPOSIT ON REAL PROPERTY SALE.

WHEREAS, Didi Chen ("Chen") entered a bid of $75,000.00 for the purchase of surplus real property of the City and County of San Francisco ("City") located on Warren Drive and designated as Lot 28 of Block 2686 ("the lot") and deposited with his bid the sum of $7,500.00, being ten percent of the bid amount; and

WHEREAS, Chen's bid was conditionally accepted by the Director of Property on November 18, 1985 and approved by Board of Supervisor's Resolution No. 1107-85 on December 16, 1985; and

WHEREAS, on February 21, 1986, Chen filed a claim against the City seeking cancellation of the sale of the lot and refund of the $7,500.00 deposit on the ground that the City had failed to disclose a landslide that occurred on the lot in 1962 and that such fact materially affected the value and desirability of the lot; and

WHEREAS, the City disputes Chen's claim on the ground that its notice of sale stated that construction plans which stabilized the site after a 1979 landslide were available for review in the office of the Director of Property and that those construction plans made reference to a soils report which discussed the 1962 landslide; and

WHEREAS, a compromise settlement has been proposed, subject to approval of the Board of Supervisors, under which: (1) the sale would be cancelled and Chen would deliver a quitclaim deed of the lot to the City; (2) the City would retain $2,125.00 of the deposit in full compensation of its costs in preparing, conducting and processing the sale of the lot; and (3) Chen would receive a refund of the balance of the deposit, $5,375.00; and

WHEREAS, the proposed compromise settlement has been agreed to by Chen; now therefore, be it

RESOLVED, That the City Attorney is hereby authorized to settle the unlitigated claim of Chen by the payment of $5,375.00, provided there is first received from Chen a full release of his claim and a quitclaim deed of the lot to the City and County of San Francisco.

The Director of Property is authorized to accept, on behalf of the City, a quitclaim deed of the lot from Chen, to sign a certificate of acceptance of said deed and to cause the deed to be recorded.

The acceptance of Chen's bid for purchase of Lot 28 in Block 2686, given by Resolution No. 1107-85, is hereby rescinded and the sale of said lot, as confirmed thereby, is cancelled.

(Contracting Out City Services)

CONCURRING WITH THE CONTROLLER'S CERTIFICATION THAT ASSISTANCE TO CERTAIN VICTIMS OF CRIME AND EDUCATION IN COMMUNITY ANTI-STREET VIOLENCE CAN BE PRACTICALLY PERFORMED FOR THE DISTRICT ATTORNEY'S VICTIM WITNESS ASSISTANCE PROGRAM BY A PRIVATE CONTRACTOR FOR A LOWER COST THAN SIMILAR WORK SERVICES PERFORMED BY CITY AND COUNTY EMPLOYEES.

WHEREAS, the Community United Against Violence has established and will maintain networks of persons to safeguard neighborhoods, conducts workshops on personal safety, self defense and property protection, and, under the direction of the Victim Witness Assistance Program, helps victims and witnesses to cooperate with the criminal justice system in prosecution of the guilty and alleviation of their own injuries; and

WHEREAS, the electorate of the City and County of San Francisco passed Proposition J in November 1976 adding Section 8.300-1 to the Charter allowing City Departments to contract with private companies for specific services which can be practically performed for a lower cost than similar work by City and County employees; and

WHEREAS, the Office of the District Attorney has sought and received estimates from private contractors and wishes to contract for these services, and the Controller has certified on March 27, 1986 that said services can be performed at a lower cost in the City and County by a private contractor than by employees of the City and County;

NOW THEREFORE, BE IT

RESOLVED, that the Board of Supervisors hereby concurs with the Controller's Certification and approves and authorizes the Office of the District Attorney to contract for the services of the Community United Against Violence.

[Pick-up of Retirement Contributions of Judicial Officers]

AUTHORIZING THE CITY AND COUNTY OF SAN FRANCISCO TO PARTICIPATE IN A PICK-UP PLAN FOR JUDICIAL OFFICERS.

WHEREAS, Section 414(h) (2) of the Internal Revenue Code empowers employers to "pick up" retirement contributions on behalf of employees; and

WHEREAS, such contributions are not included in the employee's gross income in the year in which such amounts are contributed by the employer; and

WHEREAS, such amounts are includable in the gross income of the employee, or beneficiary, in the taxable year in which amounts are distributed; and

WHEREAS, Section 17501 of the Revenue and Taxation Code incorporates the provisions of Section 414(h) (2); and

WHEREAS, Chapter 524, Statutes of 1985, added Section 75103.3 to the Government Code, which section authorized the City and County to "pick up", for the sole purpose of deferring income taxes thereon, the normal contributions made by City and County paid members of the Judges' Retirement System (JRD); and

WHEREAS, the adoption of this resolution will not result in any additional cost to the City and County of San Francisco;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Board of Supervisors of the City and County of San Francisco that:

1. The Controller shall implement the "pick up" of City and County paid member contributions to the Judges' Retirement System effective with the earnings paid and the contributions made on or after the 1st day of July, 1986.

2. The City and County shall make member contributions on behalf of City and County paid judicial officers, which shall be in lieu of contributions by said officers to the Judges' Retirement System. Such contributions shall be treated as employer contributions for purposes of reporting and wage withholding under the Internal Revenue Code and the Revenue and Taxations Code.

3. The amount "picked up", under Section 414(h) (2), shall be recouped through an offset against the salary of each judicial officer for whom the City and County "picks up" member contributions. This offset is akin to a reduction in salary and shall be made solely for purposes of income tax reporting and withholding. The members contributions "picked up" by the City and County shall be treated as compensation paid to judicial officers for all other purposes.

4. City and County paid employer contributions to the Judges' Retirement System shall be paid from the same source of funds as used in paying the salaries of the affected judicial officers.

5. No judicial officer shall have the option to receive the City and County employer contributed amounts directly instead of having them paid to the Judges' Retirement System.

6. The City and County paid member contributions shall be reported to the Judges' Retirement System as employer-paid normal contributions; under Section 75103.3 such contributions will be credited to the judges' amount in the Judges' Retirement fund.

This resolutions shall remain in effect until repealed, or until such time as employer paid employee retirement contributions are no longer excludable from employee gross income under the provisions of the Internal Revenue Code.

URGING HER HONOR THE MAYOR TO TAKE THE STEPS NECESSARY TO PROVIDE FOR THE PURCHASE OF ~~6~~ 4 ADDITIONAL EMERGENCY MEDICAL AMBULANCES, ENTER INTO SPECIFIC AGREEMENTS FOR PAYMENT WITH PRIVATE AMBULANCE COMPANIES, ~~ADD AN ADDITIONAL PARAMEDIC TO EACH OPERATING AMBULANCE UNIT,~~ AND REASSIGN ~~THE OPERATION AND MANAGEMENT~~ DISPATCH OF THE EMERGENCY AMBULANCE SERVICE TO THE SAN FRANCISCO FIRE DEPARTMENT.

WHEREAS, In July, 1985 the Civil Grand Jury concluded that the City and County of San Francisco has an inadequate number of ambulances to respond to emergency calls in a timely fashion; and,

WHEREAS, A February 6, 1986 Budget Analyst study reported further that when compared to 10 Cities of comparable size and population, the City and County of San Francisco has the second slowest (7.8 minutes) response time for a Code 3 high priority emergency call; and,

WHEREAS, Given that the national average number of responses per ambulance to calls each day is 12, San Francisco has been recognized as one of the nations busiest in "ambulance calls" operating with an average 7310 per ambulance unit per year, or 20 calls per unit per day; and,

WHEREAS, San Francisco has an ambulance/population ratio of 1 ambulance for every 92,730 persons;and,

WHEREAS, San Francisco has only an average of 7.7 ambulance units on the streets at any given time of the day; and,

WHEREAS, It has been shown that of the approximately 4500 calls received each month by the DPH for emergency service, approximately 650 cannot be serviced by DPH ambulances; and,

WHEREAS, These "overflow" calls are then channelled by the DPH to private ambulance companies that then decide whether or not to respond to a call and in fact only respond to 37% of the referred calls; and,

WHEREAS, The remaining 63% of the calls do not receive a timely response, and in some cases no response at all because the private company is not guaranteed to be paid by the patient or the City for their response services; and,

WHEREAS, ~~Despite the need for at least~~ While City ambulances have 2 paramedics per unit to insure effective emergency care services, if it becomes economically feasible, the City ambulances should have ~~only 1~~ three paramedics per unit; and,

WHEREAS, Dispatch of all emergency medical calls from the Fire Department would greatly enhance the ambulances' ability to respond in a more timely fashion; and

WHEREAS, routine provision of on-line control of paramedics should be by physicians rather than nurses as recommended in the 1984 Dinerman Report; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby urges her Honor the Mayor to take all necessary steps to 1) add at least 4 new ambulances to the City's current fleet, 2) upgrade the maintenance and if necessary replace outdated and worn ambulances currently in service, ~~3) provide for an additional paramedic for each operating ambulance unit~~, 3) provide a guarantee of payment for services rendered by private ambulance services responding to Department of Public Health overflow emergency, and finally, 4) transfer ~~the operation and management~~ dispatch of the emergency medical service from the Department of Public Health to the Fire Department.

Prepared in and reported out of E&E Cmte. 6/6/86

FILE NO. 12-86-42 RESOLUTION NO. 531-86

[OFFSHORE OIL LEAKAGE LIABILITY]

URGING THE STATE LEGISLATURE TO AMEND THE HARBORS AND NAVIGATION CODE BY ENACTING AB 4044 (FARR), WHICH PROVIDES FOR THE IMPOSITION OF ABSOLUTE LIABILITY UPON RESPONSIBLE PARTIES FOR DAMAGES CAUSED BY OFFSHORE OIL AND GAS EQUIPMENT, OR THE DISCHARGE OR LEAKING OF NATURAL GAS, OIL OR DRILLING WASTE INTO MARINE WATERS.

WHEREAS, The Department of the Interior apparently is committed to a 5-year offshore oil leasing program, which offers most of the offshore oil fields for lease-sale between 1987-91, creating a strong potential for massive offshore oil development adjacent to the State of California.

WHEREAS, The existing businesses and local governments would be penalized because of inherent hazards associated with offshore oil drilling, as demonstrated during the 1969 Santa Barbara oil spill, which caused the County of Santa Barbara to lose an estimated $7 million in tourism related income.

WHEREAS, In an environmental impact statement prepared for a previous lease-sale in 1981, the Department of the Interior concluded that it was highly probable a major spill of the Santa Barbara magnitude would occur again.

WHEREAS, Under the current Outer Continental Shelf leasing plan, there would be significant environmental and economic risk to San Francisco water quality, marine life and tourism should a major spill or leakage occur in drilling areas north or south of San Francisco.

WHEREAS, If approved, AB 4044 would, in the event of an offshore oil accident, relieve the injured party, such as the City and County of San Francisco or other public or private entities, of the impossible burden of proving which of the many actors caused the injury.

WHEREAS, AB 4044 has been endorsed by the State Attorney General, the Pacific Coast Federation of Fishermen's Association, and the Planning Conservation League.

WHEREAS, AB 4044 enjoys strong bipartisan support in the State Legislature.

BE IT RESOLVED, That the City and County of San Francisco is in support of the passage of AB 4044.

FURTHER RESOLVED, That copies of this resolution be furnished to her Honor, the Mayor, for transmission to the State Legislation Advocate for presentation by the latter to the members of the San Francisco delegation in the State Legislature, with the request that all necessary action be taken to ensure the enactment of Assembly Bill 4044 to effectuate the intent of this resolution.

RESOLUTION URGING THE MAYOR TO URGE THE POLICE COMMISSION TO REJECT PROPOSED RULE CHANGE WHICH WOULD TAKE AWAY THE RIGHT OF A CITIZEN TO HAVE A REPRESENTATIVE PRESENT AT INVESTIGATIVE HEARINGS ON ALLEGED POLICE MISCONDUCT.

WHEREAS, investigative hearings before the Office of Citizen Complaints are to be carried out promptly, fairly, and impartially; and

WHEREAS, in March, 1985, the Police Commission adopted rules which guaranteed that a complainant at an officer misconduct investigative hearing before the Office of Citizen Complaints could have a representative present; and
